Serial No. 1

From The Hg. Director of Agriculture.

No. ROC 17/H.C. of 25-26 & 24-1-27

With reference to para 6 of G.O. No. D.3089-148/C.V.10-26-2 & 5.11.26 (Flag X), submits proposition Statement (in duplicate), with proposals for allocating & fixing the pay of all Veterinary Officers in one Cadre, involving an extra Cost of Rs. 11,388/- p.a.

In para 6 of the G.O. of 5.11.26 (Flag X) - sanctioning the reorganisation of the Vety. Deptt., the Director of Agriculture was requested to submit a proposition Statement with suitable proposals for allocating and fixing the pay of all Vety. Officers in the new Cadre, in Consultation with the Chief Commandant & the Conservator of Fts. He was also requested to Consult the Huzur Secy re the place in the Cadre of the Officer attached to the Palace Dairy Farm.

The Hg. Director has forwarded, for orders, the proposals ~~based~~ Suggested by the Supdt., C.V.D., with slight modifications. The C.C., the Conservator & the Huzur Secy do not seem to have been Consulted. The proposals which involve an extra Cost of Rs. 11,388/- p.a., Contain some material Changes in the present Constitution of the C.V.D., e.g., ~~the Post of Asst.~~ P.T.O. ~~Superintendent in the C.V.D. is proposed to be reduced to an ordinary grade ranging from Rs. 150-10/1-200 to Rs. 300 (minimum), the grade of Vety. Officers also is proposed to be raised from~~

Subd. Kindly refer is invited to paras 3 & 4 of Govt. Flagged x. The intention of Govt in Sanctioning the reorganisation of the C.V.D. was merely to include all Officers employed in Vety. Work in the Military, Forest & Police Depts. in one Cadre & not to make any material revision of the present establt.

(1) Abolition of one Asst. Supdt & raising his pay from Rs. 150-10-200 to Rs. 300;

(2) Creation of 4 Vety. Officers for 4 divisions and raising their pay from 120-10-140 to 150-10-200;

(3) Creation of a Special grade of Vety. Inspectors on Rs. 120-10-140 to provide for the Officers coming from the Mily & Police Depts;

(4) Raising the pay of I Grade Inspectors to Rs. 100. Their pay now is only Rs. 97-2-100;

3 Moreover, the proposition Statement has not been verified by the Comptroller.

V (1) The allocation Statement showing how it is proposed by the Supdt., C.V.D to allocate all Vety. Officers in one Cadre differs from the one prepared in his Office when the question was first considered & amalgamation was before Govt.

~~Subd. for orders.~~ The following questions have also been raised in the Supdt's letter for the orders of Govt:-

~~(1)~~ What facilities should be given to Officers to undergo post-graduate Course;

~~(2)~~ Subd. for orders.

28.1.27 The representations of Mr. C.K. Srinivasa Iyengar Asst. Supdt., Municipal Shed and Mr. Swami Rao, Vety. Officer, Mysore Lancers ordered to be put up when the allocation proposals are linked.

28.1.27 7 Such a heavy sum as Rs 11,388 per annum in the shape of extra cost was not intended to be incurred. What was wanted was to include all Veterinary officers in a

single cadre at a very slight cost where necessary. What was required of the Director was the inclusion of 4 Veterinary officers working in the Army Dept 1 in the Forest Dept and 1 in the Palace, in the new cadre and allocating them in their proper places in the cadre. Instead of this he has submitted proposals involving a material revision resulting in an extra cost of Rs 11,388/- per annum. The H. Dept has to be consulted in the matter. For orders.

VS

Flag X.

I Kind ref^e is invited to G.O. No D3089-148 C.V.10-26-2. 5th Nov 1926 and the discussions in the file leading to that order.

2 The main object of the reorg^n ordered therein was to include all Ver^y Officers, to whatever Dept they were attached, in a single cadre: there was no idea of sanction

NOTE—Contn. Sheet

Serial No.

An increase in the strength or in the pay of the officers or the other subordinate men of the Dept. The proposition which has now been sent up (unverified by the Comptr) involves an extra cost of Rs 11,388 per year. It may be mentioned that when the question of reorganising the scales of pay of officers in the C. V. D. came up before Govt last, the Dir was informed that he might submit proposals for consn at longer time i.e. about March next. Thus, there is no idea of sanctioning any revising pay etc in the current year: whether it is to be sanctioned from next year, depends on the fact whether the necessary provision can be made in the next year's budget.

File No. C. V. 62 of 25. Pt. - 6. (linked). T

Flag X.

11 In Para 6 of the G.O. d. 5th Nov 1926 calling for the proposition and allocation statement, the Dir was asked to submit proposals in consultn with the Ch. Commr, the Comr of Pts and the Huzur Secy. It does not appear that they have been consulted.

12 The allocation suggested does not also seem to be based on any guiding principle: it is very arbitrary. The Supdt suggestions do not appear to have been scrutinised in the Dir's office.

13 The proposals are therefore not in order; and may be returned to the

4/2/27

NOTE—Contn. Sheet

Serial No.

23 The subject was considered at the monthly meeting on the 1st. It was pointed out to the Director that his proposals involved an additional recurring expenditure of Rs 11,000/- + 000 per year and that he had suggested the creation of additional appointments.

24 It was decided that the question of reorgn involving heavy additional expenditure, could not be considered, at budget time; the Dewan observed that there was perhaps no difficulty in bringing into effect, immediately, the order about the amalgamation of all Ver[y] officers in one cadre without necessarily sanctioning the revision of the grades and scales of pay etc, as proposed by the Dir. The question of fixing the relative places of the several officers, in the new cadre, was not taken up for consideration—

25 Revised proposals may be called for, from the Dir; he may be requested to consult the Heads of Depts concerned (Comm[r] of Pts, the Chief Commd[t] + the Hyun Sec[y]) before submitting his proposals to Govt.

Sec[y] D) ~~He will be asked also to [illegible] support the~~ 3d Member)

27. In fixing relative rank regard must be had to length of service and present pay. Considerations which might have been relevant at the time of recruitment are out of place now. It would also be unfair to regard the new men as intruders against whom the others have to be protected. They have, in ordinary justice, to be taken with their personal record of work into the new cadre. In allocation, the most important changes should, as far as possible, be given to senior officers, so that responsibility and rank might go together. It may be necessary to point this out as the report of the Dept. which the Govt. accepts without comment except in the solitary instance of Mr. B.V. Venkatachar. ~~It supports~~ a base, proposals on a number of considerations grounds which are really out of place.

28. A full note dealing with the reorganisation of the Dept will be put up on receipt of the report to be called for.

in the Sect^{t}, arranging the names of the officers, on the basis of i) their permanent, substantive pay + ii) the length of their service. The statement is flagged A.

57 The place of the Manager, Rayanakere Very Dairy farm (Palace) is held by ~~the~~ an officer of the Agri. Dept. It is presumed that the above post is not included in the general cadre of the C. V. D.; but that the relative place of the Officer whose service have been lent to the from Govt Palace, will be fixed in the general cadre of the C. V. D.

58 If the allocation & relative places are once fixed, it will be possible to calculate the exact extra cost involved by the amalgamation of all Ver^{y} officers in one provincial cadre.

Sec^{t} D) 12/6

59 I have put up a list of officers, placing them in the order of seniority in the principle explained in para 27, and approved by the Member.

60 I should like to solicit bring to the notice of the Member the case of

NOTE—Contn. sheet

GPB—5,000—30-3-27

Serial No.

Mr. B Lakshmipati, which has some special features. As Ref. hospr, he is 8th in the 2nd grade (Rs 82 in grade 12-5-97). In Aug 1921, he was transferred to the Palace service as Manager of the Rajamahal Dairy Farm, where he is now getting Rs 225, & is shortly to get Rs 250. He was allowed to keep his lien in the Agri Dept, where he was seconded. He is shown in his {former / English} place in the list prepared by me, as I could see no justification for placing him above people who were his seniors before his transfer.

(b) The same remarks apply also to Mr S R Dasa (2nd in the list of II class hospr) who as Officer in charge of Elephants in the Forest Dept has recently had a pay of Rs 100-8-1½ sanctioned him.

(c) There are no other points which call for special notice. If the order relative position of Officers as indicated in the list is approved, the Dir of Agrl will be required to propose what changes he intends

^ These officers will of course get their present emoluments while they continue in their present duty. In case of their reverting, their pay in the cadre will be a point for consideration, which need not I think be taken up now.

NOTE Contn. sheet.

G. R. S. 12]

General and Revenue Secretariat. | File No. of 191

Serial No.

posting these men b. If may perhaps be as well to keep them on the work on which they are at present employed.

(4) The Supt C V D proposes that he might be given a Personal Asst (or understudy as he calls him) to whom some of the more routine part of his duties. The term must mean among the Asst Supts might perhaps be posted this duty, with an allce of Rs 50 - or he might be designated Hd Qrs Asst Supt & given a pay of Rs 250/-

(5) The cadre of the Consolidated Dept under para 5 of the G.O. of 5th Nov 19 will then be:

1	Supt C V D
4	Asst Supts of whom one is Office Asst Supt (includes 1 from Mil Dept)
2	Vet Officers (includes 1 from Mil Dept)
4	1st grade Vet Insprs
11	2d grade Vet Insprs
29	3d grade Vet Insprs
7	Temp Vet Inspr.
57	

(6) Some of these Officers have been

getting the same pay for a long term, and it may be necessary to take up re-grading of the Dept with a view to remedy stagnation, and ensure a even flow of promotion. But the proposals seems hasty & precipitous.

3d Member

6/6/27

67 I discussed this with the 3d Member yesterday & he was pleased to agree:

(1) The list prepared is all right

(2) Mr K. Krishna Iyengar may be appointed H.Q. Asst & given a d.a. of Rs 50

(3) It might be clearly enunciated that promotions from the grade of Insps to that of Asst Supts, & from the grade of Asst Supts to that of Supts will be made by selection on the ground of good work and merit, and not on the mere ground of seniority

4. The question of organising divisional changes is reserved for consideration, and proposals may be invited from the Divl Offrs

69. The question of revision of scales of pay may be taken up for the present

NOTE—Contn. sheet

WD 0424—GPB—60,000—24-5-27

Serial No.

I wish to make the following remarks on the proposition statement. There are, at present, six Veterinary Officers outside the cadre of the Civil Veterinary Department -- four in the Military, one in the Forest and one in the Agricultural Department. The proposed scale provides for abolition of only four of these officers. It is, therefore, noted that two appointments will be abolished. This mainly accounts for the decrease of Rs 305 per mensem in the proposed cost.

Mr. Bapu, Veterinary Officer of the Forest Department is given a grade of Rs 100-8-140 with effect from 1st June 1927. If, in the proposed scale, he is to be put in the First Grade of Veterinary Inspectors, the excess over the scale will have to be shown as Personal Allowance in the Proposition Statement. The saving will be reduced by the amount of the Personal Allowance.

Mr. Manick Raju of the Military Department is, in another connection, proposed to be given an allowance of Rs 30 for being in charge of the Mysore Horse and the Transport ~~xxxx~~ work. If it is intended to sanction the allowance, it may be shown in the proposed ~~scale~~ scale. In the present grading, there are odd figures such as Rs 72 and Rs 97. In sanctioning the re-organisation of ~~the~~ Departments, such odd figures are being avoided wherever possible in the proposed scale. Whether such an

Serial No.

arrangement may be adopted in this re-organisation is a point for consideration in the Administrative Department. P The proposed scale does not provide for the grant of a Duty Allowance to one of the Assistant Superintendents who is ~~proposed~~ to be the Headquarter Assistant to the Superintendent, Civil Veterinary Department. As regards the grant of this allowance, I am afraid I have to adhere to the view already expressed in my note dated 29th July 1927. This is a general question and has to be decided not merely with reference to the case of the Headquarter Assistant of the Civil Veterinary Department but also in respect of similar claims by the Headquarter Assistants of the Conservator of Forests and the Survey Superintendent. Subject-Who else there is No financial objection other than Finance Department — 12.9.27

GEN. & REV. SECRETARIAT.

DEVELOPMENT BRANCH.

General and Revenue Secretariat.

C.V. File No. 65 of 1926.

Serial No.

101 All the six Veterinary Officers outside the C.V. Dept. have been absorbed in the proposed scale (vide Sls. 3, 5, 7, 13, 19 & 22 in the Allocation Statement) — 2 Officers of the Mily Dept in the Asst Supdts' grade, 1 Officer of the Mily in the Vet. Officers' grade, 1 of the Mily, 1 of the Ft & 1 of the Agri. Depts in the I grade of Vet. Inspectors.

[X Out of these 2 Mr Swami Rao is now working in the C.V.D. itself as only one Officer is considered to be sufficient to the Mily Dept.]

102 One Monteiro who was one of the Asst Supdts in the C.V.D. having been transferred permanently to the A.M. Dept, his name is not shown in the Allocation & his place has not been taken into account in the proposed scale.

103 The sanctioned scale of I grade Vet. Insp^rs is 5 but one has ordered to be kept in vacant. (vide C.V. 39-25-4.) This too is not included in the proposed scale. Hence reduction 2. Therefore there are only

A.M. Dept

104 55 posts in the proposed scale as against 57 in the present scale.

NOTE—Contn. sheet.

General and Revenue Secretariat.

C.V. File No. 65 of 1926.

Serial No.

105 In the allocation approved by the Member, M.R. Bapu of the 7th Dept is in the II Grade of Vet. Inspts. so his ~~Salary~~ will have to be shown as Rs 9 7+3 p.A. in that Grade.

106 As regards Srikantan Manickraj of the Mily Dept it is not yet settled whether he shd be given Rs 30/- or Rs 20/- as allowance. If this is settled that an amt. be shown in the Proposition statement.

110 This has since been settled as Rs 30/- 24.9.27

107 If odd figures in the Grades are to be removed, the pay of III Grade Vet. Inspts may be perhaps fixed at 50-5-70, that of II Grade Inspts at 75-5-95 & that of I Grade at 100. The average cost in the proposed Scales will vary if these odd figures are removed & a new proposition Stt will have to be prepared.

Final Note by the Third Member of Council.

Subject :—

Re-organisation of the Civil Veterinary Department.

In October 1926, His Highness was pleased to sanction the Re-organisation of the Veterinary Department, with a view to include all Veterinary Officers employed in the various departments in a single cadre.

The transfer of the Veterinary Officers of other departments to the cadre of the Civil Veterinary Department makes it necessary to fix their places relatively to the other officers already in the department and to readjust the charges so as to employ each officer, as far as possible, on work commensurate with his pay and seniority. It is also necessary to improve the pay and prospects of the officers of the department to a small extent, as much difficulty is now experienced in getting proper recruits.

Further in order to relieve the Superintendent of routine work to some extent to enable him to exercise closer supervision over the work in the districts, it is considered necessary to constitute the State into four divisions of two districts each (instead of two divisions as at present), with an Assistant Superintendent in charge of each division.

A draft Government Order on these lines was considered in Council on the 18th instant and approved.

This re-organisation will result in an extra average cost of of Rs. 3395 1/5 per annum.

Gracious approval of His Highness to the proposed re-organisation is solicited.

Offg. Third Member of Council

Bangalore,
21st January 1928.

Submitted to His Highness.

the margin. The Dir has urged the necessity of having one Senior Vet Insp and a junior Vet Insp, in each of the Hospitals at Bangalore & Mysore, & of giving an additional Vet Insp as an Asst to the Supt C.V.D. He considers it inexpedient to draft one of the Mobile Service men, for this work. All these eight men are required for urgent, itinerant work in the eight Districts. The Dir's recommendation may be accepted. This means the addition of 3— third grade Vet Insps (60-4-80) to the present scale— bringing the total no. of Vet Insps of all grades, to 61. This is exclusive of the directing staff, consisting of a Supt & four Asst Supts, in charge of the four Divisions.

I agree

180 x 12
2160
4200
6360

163 2) Clerical staff for the Divisional Officer—

Before the creation of the two new Divisions each Divisional office had two clerks. In the Reorg, it was considered enough to allow only one clerk each. In view of the Dir's recommendation in the present letter, the necessity for an add hand to each of the four divisions may be assumed to have been made out, and the proposal sanctioned.

I agree

3 Vet Insp (60-4-80).
73⅓ x 3 = Rs 220.
2 clerks on 35 = 70
2 clerks on 30. = 60
Rs 350. per month.

164 3) The extra average cost on the basis of the above suggestions is Rs 350/- p.m. or Rs 4200 per year. The source for meeting this extra cost

I agree

NOTE—Contn. Sheet.

Note. (Each Divisional Office will have a clerical staff of two hands one on Rs 35/- and the other on Rs 30/-)

has not been pointed out. It is presumed that it will be met from the sanctioned grants. In any case, the expenditure seems inevitable.

165 Regarding the allocation & the distribution of charges, the statement does not bear evidence of having been scrutinised by the Director.

166. Subd for orders. (H Sec^t to be consulted) Sec^t D)

UKP
14/6/28

167 In my opinion the Dir has made out a case for the following increase in staff:

168 3 more Ret^d Surveyors of the last grade, (1 as Personal Asst to the Supt and 1 for each of the Disps at Bangalore & Mysore)

169 4 Clerks (of wch 2 might be on Rs 35 × 2 or Rs 30) for the Divisional Officers. This will give each Dy Office 1 Cl on Rs 35 × 1 on Rs 30, which in the present state of work is by no means excessive.

170. If the Dir cannot find the money by reappn, an addl grant of Rs 4200 (or Rs 6000 as the case may be) will have to be made.

DEVELOPMENT BRANCH

No. R&L7 [illegible] 11 papers

Bangalore,

Dated 21st January 192 7.

C.V. 65-26-1

FROM

G. H. KRUMBIEGEL, Esq., F.R.H.S.,
Offg. Director of Agriculture in Mysore,
Bangalore.

To

C. Ranganatha Rao Sahib, Esq., B.A., B.L.,
Secretary to the Govt. of His Highness
the Maharaja of Mysore. Development De-
partments, Bangalore.

Sir,

With reference to your letter No.D. 3914 C.V. dated 3rd. December 1936, calling for proposals so as to include all Veterinary officers in a single cadre, I have the honor to forward herewith a copy of letter No.12724 dated 16th December 1936, from the Superintendent, Civil Veterinary Department, with its enclosures, viz., proposition statement in duplicate and an allocation statement showing how it is proposed to grade all veterinary officers in one cadre. I agree with the proposal of the Superintendent except in the matter of the supercession of Mr. B.V. Venkata Char. The representation of different communities is a thing that should have been considered in the beginning. I think it would be hardly fair at this stage to keep back a man who has a good record simply because he belongs to a particular community. I would therefore propose that Mr. Venkata Char be appointed Veterinary Officer in place of Mr. Patankar.

2. The revision involves an extra cost of Rs.11388 per annum, due to the increase in strength of one officer, two Inspectors, four clerks, two ministries and four peons. This increase is quite necessary to avoid any of the officers who have already rendered good service in the Department having any grievance and to provide for more efficient supervision.

I have the honor to be, Sir,
Your most obedient servant,

G. H. Krumbiegel

for Director.

Letter No.12724 dated 16th December 1926 from the Superintendent Civil Veterinary Department, Bangalore to the Director of Agriculture in Mysore, Bangalore.

With reference to Government Order No.D.389-148/C.V.10-26-2, dated 5th November 1926, forwarded under your No.Roc.17/H.C.10 of 25-26 dated 12th November 1926, I have the honour to state that the cadre of the Civil Veterinary Department at present is :-

1	Superintendent.		
2	Assistant Superintendents.	+ 3	
3.	Veterinary Officers.	+ 1	
4.	First Grade Veterinary Inspectors.	+ 1	
8	Second Grade Veterinary Inspectors	+ 1	
32	Third Grade Veterinary Inspectors.	+6	= 58
49			

In the Military, Agricultural, and Forest Departments there are si Officers three of whom draw the same pay as Assistant Superintendents, and will have to rank as such, but it is proposed to alter the designation to that of Veterinay Officer. Of the remaining, three one ranks as a Veterinary Officer, (it is also proposed to alter the designation of the present Veterinary Officer to Veterinary Inspector Special Grade), one as a First Grade Inspector and one as a second Grade Inspector.

One of the Veterinary Officers in the Military Department, Mr.C.K.Sreenivasaiengar is the most senior in service of all Veterinary Officers, but has been drawing Rs.150/- all along with no promotion Mr.M.Swami Rao in the Military Department comes next in length of service after Mr.K.Krishna Iyengar and Mr.K.N.Sreenivasan, Assistant Superintendents, and in pay he ranks with Mr.K.Krishnaiengar and senior to Mr.K.N.Sreenivasan.

Mr.Laksmipathy of the Live Stock Department ranks for service with First Grade Veterinary Inspectors, but above Assistant Superintendent in pay. He is an exceptionally good officer and quite up-to-date in Veterinary work. He should at least be confirmed in the rank of those drawing the pay of a Division Officer, and the difference in pay be treated as a personal allowance.

Mr.T.V.Manickaraj, Veterinary Officer, Military Department comes next to Mr.Lakshmipathy in length of service, but ranks as a Ve-

Veterinary Officer for pay, and it is proposed to alter the designation to Veterinary Inspector Special Grade, as the work done by these Officers is similar to that of other Veterinary Inspectors.

Mr.S.R.Rapu of the Forest Department comes next to Mr.T.V.Manickraj in service, and has been drawing the pay of a First Grade Veterinary Inspector for some length of time, and it is proposed to place him in the Special Grade of Veterinary Inspectors.

Mr.C.Govinda Rao, Veterinary Officer, Mysore Horse, is drawing less pay than he would have done if he had been in the Civil Veterinary Department all along, and it is proposed to place him in his proper place according to his length of service.

The placing of all, but three of the Veterinary Officers of other Departments with their present pay on the cadre of the Civil Veterinary Department without considering the position of the senior men already in the Civil Veterinary Department, would be great injustice and a source of discontent to men who have worked hard under very trying conditions. To avoid any of the officers having a grievance, and to provide for more efficient supervision, which is required in the Department, with more Veterinary Institutions being opened every year, and also to relieve the Superintendent dealing with office details, and supervision of stores, issue of serum, Virus etc., so as to leave him free to better supervise the work of the Inspectors, and instruct them regarding treatment, and to investigate disease and undertake preventive measures, I suggest the following proposals as a tentative measure till the question of the new scale of pay is considered by Government.

That there be only one Assistant Superintendent, who will be the Superintendent's understudy, and relieve the Superintendent of a certain amount of office work and details, and thus free him for the work detailed in the previous para.

That the Divisional Officers now designated Assistant Superintendent be in future styled Veterinary Officers, and their cadre be increased from two to seven to provide for three Officers from the Military and Agricultural Department, and for the two new Divisions that may be created

P.T.O.

4

That the Senior Veterinary Inspectors now designated Veterinary Officer, be changed to Veterinary Inspector, Special Grade, and the cadre be increased from two to four to provide for Mr.S.R.Bapu from the Forest Department, and to give promotion,(so as to compensate them) to four First Grade Veterinary Inspectors, who will be superceded by Mr.T.V.-Manickraj being made a Veterinary Officer, which is necessary in view of the good service done by him on Field Service and to divide the higher appointments more equally among the different sects.

The following is the cadre proposed for the Veterinary Department:-

1 One Superintendent,

1 One Assistant Superintendent.Rs.300/-

7 Seven Veterinary Officers as follows:-

Four Veterinary Officers as Divisional Officers for the four Divisions (each Division to consist of two Districts) Rs.150-10/1-Rs.200/-.

One Veterinary Officer, Agricultural Department for the Rayanakere Dairy Farm Rs.200/- plus personal allowance of Rs.50/-.

Two Veterinary Officers, Military Department Rs.150-10/1-Rs.200/-.

4 Four Veterinary Inspectors, Special Grade Rs.120-10/1-140.

Three for the larger hospitals.

One for the Forest Department.

4 Four Veterinary Inspectors, First Grade Rs.100/-

8 Eight Second Grade Veterinary Inspectors Rs.72-5/1-97

33/58 33 Third Grade Veterinary Inspectors Rs.50-7/1-5/1-72. X

This creation of two new Divisions will necessitate two additional Office Establishments being sanctioned for the two new Divisions. This is very necessary as the present office establishments are unable to cope with the work of the present extensive divisions, thus resulting in very unsatisfactory statistics of the work being maintained, and frequent delays in the submission of returns.

A statement of proposition stating the additional cost involved is attached.

Government may kindly be asked, when passing orders, to state that facilities will be given to enable the officers thus promoted, to undergo post-graduate courses, and that those who fail to take advantage of this, or fail to qualify within two years of the Government order to give entire satisfaction, will be retired from the Service. That those selected for Military duty, must consent to go on active service with the Mysore Troops and be attested.

In case Government do not see their way to create the two new Divisions proposed, and the Chief Commandant does not wish to retain Mr. Swami Rao and Mr. C.K. Sreenivasa Iyengar, I propose that they be given all the leave they are entitled to and thereafter retired. This suggestion is made to prevent Senior Officers of the Civil Veterinary Department being displaced.

I propose that all officers above a certain grade be made to take a post-graduate course, besides those officers selected for Military duty and the Palace Stables be also given an additional practical training for six months in one of the larger Military Station Veterinary Hospitals; the Officer for Kunigal in a large remount Breeding stud Farm in the Punjab; the Officer for Mayankere, a year's training in a Government of India cattle Breeding Dairy Farm; and the man for the Forest Department, six months with a Veterinary Officer in charge of Forest Elephants, either in the Madras Presidency or in Burmah. This would ensure a body of really efficient officers to hold the differenat Veterinary appointments in the different Departments, with reserves to replace them.

In forwarding herewith an allocation statement, I wish to give my reasons for placing Mr. Lakshmipathy as the most Senior Veterinary Officer, and placing Mr. R.L. Patankar, Mr. S.D. Achar and Mr. T.V. Manicraj above several of their seniors.

To allow the pricipie adopted in British India, where promotions to the Gazetted ranks are made by selection so as to fill these responsible appointments with the best and most suitable men, and see that the different communities are duly represented without impairing effi

6

efficiency and with due regard to seniority.

Mr.B.Lakshmipathi, the officer in charge of the Rayanakere Dairy Farm is at present drawing more pay than the Assistant Superintendent and all the other Veterinary Officers of equal status in the other Departments. He belongs to a backward community and is a very thorough and efficient officer with sound commonsense, and one of the very best of the Veterinary Officers in the State.

Mr.S.D.Acnar was one of the first to take the opportunity of undergoing a Postgraduate course, and has thus qualified himself for special promotion. He is a most thorough and efficient officer, belongs to a good old Mysore Family and he was specially recommednded by Dr.Coleman for special promotion in letter No.Roc.1749-HC.637-2 of 22-23 dated 23-2-23. He was appointed acting Assistant Superintendent before he was deputed for the Post-graduate course, and to keep him as an Inspector after qualifying as he has done, would be very unfair and discouraging to the man.

Mr.T.V.Manickraj like Mr.Lakshmipathi, also belongs to a backward community. He has done good War Service, is an active and intelligent officer and belongs to a good old Mysore Family. He should make a good Veterinary Officer after a postgraduate course and six months training in a British Station Veterinary Hospital for Military duty.

Mr.R.L.Patankar has been given preference to Mr.B.V.Venkata Char so that there will not be a preponderance of any one sub-sect in the higher grades. He did some splendid work in the Hassan District last year and showed his capabilities in organisation and administration. A postgraduate course should make him a good Veterinary Officer.

Mr.B.V.Venkatachar, who is one senior to Mr.Patankar, will not be overlooked when the next vacancy occurs, provided he consents to undergo a post Graduate course which he hesitated to do when the opportunity was given him on the last occasion. He will in the meantime continue to be placed in acting vacancies.

Offg.Director of Agriculture.

7	26- 4-21	1- 1-26	

1 Asstt. 2 Inspectors Rs 72 + 35 + Rs 9 Each

Monthly average for 2 Rs 174-0

Two Divisional Office establishments

4 clerks (2) Rs 35 + (2) Rs 30 + 2 Salutchis Rs 25/- Rs 180-0

Monthly average Rs 354-0

If Govt. cannot even provide funds for this last proposal, the only alternative would be to transfer the officers now wanted in the Military Dept. to the Civil Veh. Dept. to be employed for the time being as Veh. Inspectors till Govt. are in a position to provide funds for the higher appointments to which they can then be promoted. Their places in the Mily. Dept. would be filled by the Veh. Inspectors, whose places they take.

Kindly keep this in the file in question

OFFICE OF THE THIRD MEMBER OF COUNCIL. 9 FEB. 1927 No. 157

GEN. & REV. 4964 10 FEB. 1927 DEVELOPMENT BRANCH

CBX

2/4/27

9.2.27

WG 9/2

A suggestion to help over the difficulty of providing for Officers not wanted in the Mily Dept

In case Govt cannot provide all the funds necessary for the appointments in the proposed amalgamation scheme, Govt sanction the proposals as recommended, but reserve the right to make the additional appointments only as funds become available.

For the present Govt might just sanction the appointment of two additional Officers with their necessary Office establishments in order to provide for the two senior Offrs who are not wanted in the Military Dept.

Their places in the Mily. Dept. can be filled by two Dy. Inspectors for whom ~~two additional~~ provision will have to be made by increasing the cadre of the second grade Dy. Inspectors from 8 to 10 in number — If this is given effect the additional cost will be Rs 4,248-0-0 per annum as follows. —

I am further to state that in fixing the relative ranks of the officers, regard must be had among other things to length of service & present pay considerations which might have been relevant at the time of recruitment are out of place now. It would also be unfair to regard the officers coming from other Depts as intruders against whom the others have to be protected. They have, in ordinary justice, to be taken with their personal record of work into the ~~new cadre~~. In the allocation to be proposed, the most important charges should, as far as possible, be given to Senior officers, so that responsibility & rank might go together.

The ranks of the officers who were transferred to other Depts, and are now admitted into the new cadre ~~to be~~ have to be determined in the same principle, with due regard to their past record & work.

The revised allocation statement, may be ready to go to Govt after the sending before the end of this month.

Letter No.1975 dated 16th March 1977 from the Superintendent, Civil Veterinary Department, Kampala to the Director of Agriculture, Entebbe, Uganda.

17

With reference to your letter No. CDD/C.7.60-05 dated 19th February 1977 on the above subject and to the meeting of Senior Officers, Development Committee, Forestry Dept. held on 25.2.77 on 25-26 day February 1977, I have the honour to submit the following information required by the Committee.

In view of the Committee's proposal to abolish the appointment of Assistant Superintendent Civil Veterinary Officers, Junior Grade in the scale of Shs.1,500/- x 100 - 1,700/- per annum, vide your memorandum reference No.CDD/C.82/35-27 dated 11/2/77 which I have the honour to acknowledge receipt of, the Assistant Veterinary Officers Shs.1,500 - 1,700 proposed to be abolished from 1st July, 1977 are listed below.

All posted to the Veterinary and Forest Departments, Mubende, Mbale and Soroti respectively.

Of the above officers, I propose that the Officer in charge Mubende be retained as he is in charge of a District Veterinary Office and the Officer in charge Soroti be retained as he is in charge of a Regional Veterinary Laboratory. The Officer in charge Mbale, I propose to leave in the Forest Department as he is in charge of a Forest Research Station and the Officer in charge Kabale, I propose to leave in the Veterinary Department as he is in charge of a District Veterinary Office. The Officer in charge Kabale is due for retirement on 31st December 1977 and I propose that he be retained in the Veterinary Department until his retirement.

In the case of Mr. [illegible], he will have to be transferred to the Veterinary Department, and I propose that he be posted to Kabale to replace the Officer in charge Kabale who is due for retirement.

I propose that Mr. [illegible] be retained in the Veterinary Department as he is in charge of a Veterinary Laboratory and I propose that he be posted to Mubende to replace the Officer in charge Mubende who is due for retirement.

In the case of Mr. [illegible], he will have to be transferred to the Veterinary Department, as he would not be left to be in charge of a Forest Research Station and I propose that he be posted to Soroti to replace the Officer in charge Soroti who is due for retirement.

I have discussed the above matter with the Director of Agriculture, the Chief Conservator of Forests and the Superintendent Civil Veterinary Department, and it is agreed by all that the Veterinary Officers concerned be posted to the stations as proposed above, as they are familiar with the

the possible by any [illegible] of Service, to enable the questi[illegible]
be [illegible].

I would also recommend that Government be advised to make the [illegible] of Breeder Superintendent, for the officers have [illegible] off-[illegible] duties [illegible], otherwise none will care to do it.

I have attached a revised allocation statement providing for only [illegible] officers. Mr. S.A.Ahmad is suitable and Mr. [illegible] to replace by Mr. S.V.Venkatachar in this grade. This I am is done, as you will see above of Mr. [illegible] superseding Mr. S.V.S. Iyengar which I am proposed in order not to have two real officers of the same [illegible] on this higher grade. Mr. S.V.Venkatachar is by far the superior of the two. It will be necessary to increase the cadre of Senior Inspectors by one, to provide a Veterinary Inspector for Kurnool.

OFFICE OF THE CHIEF COMMANDANT,

Bangalore, dated 12th February 1927

FROM

Lt.Col. C.R.H.P. Landon., C.B.E., D.S.O.,
Chief Commandant,
Mysore State Troops, Bangalore.

The Superintendent,
Civil Veterinary Department, Bangalore.

SIR,

I have the honor to state that the present Veterinary Officer of the Government Stud Farm, Kunigal, is drawing a salary of --- Rs.150/- per mensem. In the revision of the Establishment, it is --- proposed that the post of Assistant Superintendent and Veterinary Office on Rs.150/- may be abolished, and a Veterinary Inspector on Rs.75/- be appointed instead.

I request you kindly to intimate whether you would take the present Veterinary Officer on Rs.150/- to your Department, -- sending a Veterinary Inspector on Rs.75/- to the Stud Farm in his place, and whether the Civil Veterinary Department would meet the pay of the latter as under the present arrangements.

RB

Office of the Superintendent,
Civil Veterinary Department,
Bangalore,
14th March 1927.

M e m o.

In fixing the relative ranks of the officers, due regard was except in two cases, given to length of service, present pay, qualifications and record of service. Mr. R.M. Pantanker was placed among Veterinary Officers in order to avoid a predominance of any one subsect, but, as this does not meet with approval, Mr. D.V. Venkatachar and Mr. R.M. Pantankar have been placed in their proper places in the revised allocation statement now sent. Mr. S.D. Achar was placed sixth in the grade of Veterinary Officer in the original list as he was the only Senior Veterinary Inspector who availed himself of the opportunity that was offered to take a post-graduate course, which he did with credit. His previous service also was exceptionally good, being far above the average. In the revised list he is now placed in the order where he should stand with regard to present pay and service. His case will be taken up after his return from Muktesar, where he is being sent for a further special training of six months.

Mr. K. Krishna Iyengar, Assistant Superintendent, although drawing less pay than Mr. . Lakshmipathi, has put in considerably more service than the latter. He has worked under very trying conditions and has acted for 3 months as Superintendent. He has sound common sense and a through knowledge of his work.

Mr. B. Lakshmipathi is placed second on the list as he is at present drawing more pay than any of the others. He has a through knowledge of his veterinary working, having had exceptional opportunities of studying the latest methods of preventive treatment, and he has shown his apility in organisation and management both at the Hebbal Agricultural Farm and the Rayankeri Dairy Farm. He was very highly thought of by both Dr. L. Coleman and Mr. Davison, and is very well spoken of by the Superintendent, Civil Veterinary Department, and all those who have come in contact with him. Besides, he belongs to a backward community and should be encouraged.

Mr. K. Swami Rao is placed third on the revised list. With less service, he draws the same pay as Mr. K. Krishna Iyengar. He has nothing in favour of him, except his 8½ years war service. It remains to be seen how he frames after a training in the Civil Veterinary Department. So far, he is anxious to learn and bring himself up-to-date.

Mr. C.V. Srinivasa Iyengar is placed fourth on the revised list. This place is due to his present rate of pay. He has to his credit more service than any of the others, but unfortunately also an indifferent record.

Mr. M.R. Srinivasan is placed fifth on the revised list, this being his propor place having regard to his pay and service.

Mr. S.V. Venkatchar is placed sixth on the revised list, this being his propor place having regard to his pay and service. He is a throughly capable officer.

Mr. T.V. Panchyaraj comes next with regard to pay, but has less service than any of the four who are placed junior to him. In placing him as has been done, due regard has been shown to his good record of service in the Military Department, his four years active service and the fact that he belongs to the backward community.

The remainder stand in the order of their seniority in pay and service.

No. Roc.17/Rc.19 of 35-36. E 1 D 6274 Bangalore, 30th March 1937 192

FROM

G. H. KRUMBIEGEL, Esq., F.R.H.S.,
Offg. Director of Agriculture in Mysore,
Bangalore.

G.V. 45-28-4

To

N. Rama Rao, Esq., B.A., B.L.,
Secretary to Government of Mysore,
Development Departments, Bangalore.

Sir,

In continuation of this office letter No.Roc.17/Rc.19 of 35-36, dated 24th March 1937 submitting a revised allocation statement of Veterinary officers in the new cadre, I have the honour to forward herewith copy of letter No.B.3334 of 36-37 dated 18th March 1937, from the Chief Commandant of Mysore, wherein the Chief Commandant says that Subedar Manickraj has been permitted to be retained in the Military at his interview with the Dewan on the 17th instant and asks for a modification of my orders already passed. As this proposal presents some difficulty, I have proposed in my letter mentioned above that a meeting of the Department heads concerned may be arranged to discuss the whole question before the relative position of the various officers is determined. I would therefore suggest that action may be taken once for all -- after the question is settled as above.

I have the honour to be,
Sir,
Your Most obedient servant,

Offg. Director of Agriculture.

C.V. 6-2

G. O.No:D. 3089-148/ C. V. 10-26-2 dated 5th November 1926 consolidating the Civil Veterinary Department by bringing (and 15 cadre) all Veterinary officers, to whatever department attached; ~~into its cadre~~ ; and calling for a proposition statement from the Director of Agriculture, with suitable proposals fo allocating and fixing the pay of all - Veterinary officers in t[redacted] new cadre.

2. Correspondence ending wi[redacted] letter N Roc. 17/ Hc. 10 of 25-26 dated 3[redacted]th Marc 1927 from the Director of Agriculture, fo warding a revised statement showing the scale and the allocation of the Veterina officers in the new cadre.

Order No: D 7923-82

Dated, Bangalore 28-1-27

The strength of the Civil Veterinary Department after consolidation (Exclusive Clerical & ministerial staff) will consist

1	Supdt. ...	Rs.300-25-500
4	Asst. Supdts ..	150-10-200
6	Veterinary Inspectors (1st grade)	100- 5-150
11	-do- (IInd grade)	80- 4-100
31	-do- (III grade)	60- 4- 80
8	-do- (Mobile Corps)	60- 4- 80

The transfer of the Veterinary officers of other departments to the cadre of the Civil Veterinary Department makes it necess to fix their places relatively to the other officers already in the department and to readjust the charges so as to employ each officer as far as possible on work commensurate with his pay and seniority. The work of the department has been increasing rapidly, partly in consequence of more vigorous measures taken to combat cattle diseases and partly in response to a growin demand for veterinary aid from the public. While the need is felt for increasing the establishment, a certain amount of difficulty is at the same time being experienced in getting recruits, indicating that the prospects ~~already~~ more held out are not sufficiently attractive to qualified candidates.

Experience seems to indicate the need fo organising a closer supervision of work in the districts. The present arrangement of having only two divisions results in throwing a mass of routine work on the headquarters office and leaving the Superintendent less time than ~~it would be~~ desirable for the higher control of the activities of his department. A certain amount of decentralisation is necessary both for giving the Supt some relief from routine duties ~~to the Superintendent~~ and for securing a ~~more constant~~ closer supervision of district work.

4 In view of the considerations set forth above, Government are pleased to sanction the re-organisation of the Civil Veterinary Department, on the following lines :-

(1) The head of the Civil Veterinary Department will, as heretofore, be the Superintendent, working under the administrative control of the Director of Agriculture.

(2) There will be, under the Superintendent the following staff:-

(a) 4 Asst. ~~Inspectors~~ Supdts on 150-10-200

(b) 6 Veterinary Inspectors(1st grade on 100-5-150

(c) 11 Veterinary Inspectors(IInd grade) on 80-4-100

(d) 39 Veterinary Inspectors (III grade) (including the mobile units) on 60-4-80.

5 The Assistant Superintendents will be in charge of the divisions, of which there will be four :

(1) Mysore Division consisting of Mysore and Hassan Districts with headquarters at - Mysore.

(2) Tumkur Division consisting of Tumkur and Chitaldrug Districts with headquarters at Tumkur.

(3) Shimoga Division consisting of Shimoga and Kadur Districts with headquarters at - Shimoga.

(4) Bangalore Division consisting of Bangalore and Kolar Districts with headquarters at Bangalore.

6 There will be two additional Salutries on Rs 20/- each p.m. & 4 peons on Rs 11/- each p.m. (Rs 10) on the formation of two new Divisions viz.

7 The Director of Agriculture is requested to propose the names of the officers to the posts of the several divisions.

Govt consider that one clerical [illegible] enough for a Div. under the new distribution.

Regards the clerical staff for these four Divisions, the two clerks on Rs 35/- posted — one to the Bangalore & the other to the Mysore Div. — will be attached to the Inspectorate of the two other clerks on Rs 30/- will be similarly one to the Tumkur & the other to the Shimoga Div.

7 In allotting charges to the Veterinary Inspectors, regard will be had to the principle that, as far as possible, important charges should be given to senior men.

8 The above is the ~~permanent~~ regular staff of the Department and does not include the ~~itinerant~~ additional ~~temporary~~ temporary staff which may have to be employed from time to time ~~designated "Mobile Corps"~~ on emergent work in the District. In ~~future~~ the coming years, when additional dispensaries are started in conformity with G. O. No. D 5757-66 C.V. 54-26-2 dt 5/1/27 ~~directing that 4 new dispensaries be started every year~~, a corresponding addition will be made to the permanent staff in the last grade of Inspectors.

The Div. is requested to make proposals bearing this direction in view, and to furnish a statement showing the distribution of charges among the Inspectors

9 The Veterinary Officers who are actually in receipt of higher ~~pay~~ emoluments in the other departments in which they are at present working, will be allowed to retain ~~that pay fall, as~~ their emoluments in full as they continue in those departments, but will not, on that account, be entitled to ~~go over~~ supersede officers who are their seniors in the cadre of the Civil Veterinary Department, for the purposes of promotion in the usual course.

So long as

Promotion from the Inspectorate to the grade of Asst Supts will be by selection on the ground of merit and not on mere seniority.

The relative position of the members of the staff of the Civil Vet Dept is as shown in the statement hereto annexed. Annexure

10 One of the Inspectors will be attached to the headquarters office to help the Superintendent in connection with the maintenance of stores and the technical check of the reports of ~~the~~ veterinary work from the districts.

only?

11 The above re-organisation will result in an average extra cost of Rs. ~~3388~~ 45 1/5 per year as noted in the proposition statement annexed hereto.

(12) Necessary provision for this purpose will be made in the next year's budget of the Civil Veterinary ~~Dpt~~ Department.

(13) This order will come into ~~effect~~ force from 1st July 1928.

S. O.

Government of His Highness the Maharaja of Mysore.

GENERAL AND REVENUE DEPARTMENTS.

G. O. No. D. 7923-82—C. V. 65-26-5, dated 28th January 1928.

Reorganisation of the Civil Veterinary Department.

Passes orders on the ——.

READ—

Government Order No. D. 3089-148—C. V. 10-26-2, dated 5th November 1926, consolidating the Civil Veterinary Department by bringing into its cadre all Veterinary Officers, to whatever Department attached; and calling for a proposition statement from the Director of Agriculture, with suitable proposals for allocating and fixing the pay of all Veterinary Officers in the new cadre.

2. Correspondence ending with letter No. R. O. C. 70—H. C. 10 of 1925-26, dated 30th March 1927, from the Director of Agriculture, forwarding a revised statement showing the scale and the allocation of the Veterinary Officers in the new cadre.

ORDER No. D. 7923-82—C. V. 65-26-5, DATED 28TH JANUARY 1928.

The strength of the Civil Veterinary Department (except clerical and menial staff) after consolidation will consist of —

One Superintendent	Rs.	300—25—500
Four Assistant Superintendents	,,	150—10—200
Six Veterinary Inspectors (First Grade)	,,	100— 5—150
Eleven Veterinary Inspectors (Second Grade)	,,	80— 4—100
Thirty One Veterinary Inspectors (Third Grade)	,,	60— 4— 80
Eight Veterinary Inspectors (Mobile Corps)	,,	60— 4— 80

The transfer of the Veterinary Officers of other Departments to the cadre of the Civil Veterinary Department makes it necessary to fix their places relatively to the other officers already in the Department and to readjust the charges so as to employ each officer as far as possible on work commensurate with his pay and seniority. The work of the Department has been increasing repidly, partly in consequence of more vigorous measures taken to combat cattle diseases and partly in response to a growing demand for veterinary aid from the public. While the need is felt for increasing the establishment, a certain amount of difficulty is at the same time being experienced in getting recruits, indicating that the prospects now held out are not sufficiently attractive to qualified candidates.

3. Experience seems to indicate the need for organising a closer supervision of work in the districts. The present arrangement of having only two divisions results in throwing a mass of routine work on the head-quarter office, and leaving the Superintendent less time than desirable for the higher control of the activities of his department. A certain amount of decentralisation is necessary both for giving the Superintendent, some relief from routine duties and for securing a closer supervision of district work.

4. In view of the considerations setforth above, Government are pleased to sanction the re-organisation of the Civil and Veterinary Department, on the following lines:—

(1) The head of the Civil Veterinary Department will, as heretofore, be the Superintendent, working under the administrative control of the Director of Agriculture.

(2) There will be, under the Superintendent, the following staff:—

(*a*) Four Assistant Superintendents	Rs.	150—10—200
(*b*) Six Veterinary Inspectors First Grade	,,	100— 5—150
(*c*) Eleven Do Second Grade	,,	80— 4—100
(*d*) Thirty two Do Third Grade (Including the Mobile Corps)	,,	60— 4— 80

NO. D. 7923-82—C. V. 65-26-5, DATED 28TH JANUARY 1928.

5. The Assistant Superintendents will be in charge of the Divisions of which there will be four:—

(1) Mysore Division consisting of Mysore, and Hassan Districts with Headquartersat Mysore.

(2) Tumkur Division consisting of Tumkur and Chitaldrug Districts with Headquarters at Tumkur.

(3) Simoga Division consisting of Shimoga and Kadur Districts with Headquarters at Shimoga.

(4) Bangalore Division consisting of Bangalore and Kolar Districts with Headquarters at Bangalore.

The Director of Agriculture will propose the names of the Officers to be posted to the several divisions.

6. There will be two additional salustries on Rs. 20 each per mensem, and 4 peons on Rs. 11 each per mensem consequent on the creation of two new divisions. As regards the clerical staff for these four divisions, Government consider that one clerical hand is enough for a division under the new distribution. The two clerks on Rs. 35 will be posted-one to the Bangalore and the other to the Mysore Division. The two other clerks on Rs. 30 will be similarly attached--one to the Tumkur and the other to the Shimoga Division.

7. In allotting charges to the Veterinary Inspectors regard will be had to the principal that, as far as possible important charges should be given to senior men. The Director is requested to make postings bearing this direction in view, and to furnish a statement showing the distribution of charges among the Inspectors.

8. The above is the regular staff of the Inspectorate of the Department and does not include the additional temporary staff which may have to be appointed from time to time on emergent work in the districts. In coming years, when additional dispensaries are started in conformity with Government Order No. D. 5457-66—C. V. 54-26-2, dated 15th January 1927, a corresponding addition will be made to the permanent staff in the last grade of Inspectors.

9. The Veterinary Officers who are actually in receipt of higher emoluments in the other departments in which they are at present working, will be allowed to retain their emoluments in full *so long as* they continue in those departments, but will not, on that account, be entitled to supersede officers who are their seniors in the cadre of the Civil Veterinary Department, for the purposes of promotion in the usual course. Promotion from the Inspectorate to the grade of Assistant Superintendents will be by [redacted] on the ground of merit, and not on mere seniority. The relative present position of the members of the staff of the Civil Veterinary Department is as given in the statement hereto annexed.

10. One of the Inspectors will be attached to the Headquarters office to help the Superintendent in connection with the maintenance of stores and the technical check of the reports of Veterinary work from the districts.

11. The above re-organisation will result in an extra average cost of Rs. 3395$\frac{1}{3}$ per year as noted in the proposition statement annexed hereto.

12. Necessary provision for this purpose will be made in the next year's budget of the Civil Veterinary Department.

13. This order will come into force from 1st July 1928.

G. O. No. D. 7923-82—C. V. 65-26-5, dated 28th January 1928.

Reorganisation of the Civil Veterinary Department.

Passes orders on the ——.

READ—

Government Order No. D. 3089-148—C. V. 10-26-2, dated 5th November 1926, consolidating the Civil Veterinary Department by bringing into its cadre all Veterinary Officers, to whatever Department attached; and calling for a proposition statement from the Director of Agriculture, with suitable proposals for allocating and fixing the pay of all Veterinary Officers in the new cadre.

2. Correspondence ending with letter No. R. O. C. 70—H. C. 10 of 1925-26, dated 30th March 1927, from the Director of Agriculture, forwarding a revised statement showing the scale and the allocation of the Veterinary Officers in the new cadre.

ORDER No. D. 7923-82—C. V. 65-26-5, DATED 28TH JANUARY 1928.

The strength of the Civil Veterinary Department (except clerical and menial staff) after consolidation will consist of —

One Superintendent	Rs.	300—25—500
Four Assistant Superintendents	,,	150—10—200
Six Veterinary Inspectors (First Grade)	,,	100— 5—150
Eleven Veterinary Inspectors (Second Grade)	,,	80— 4—100
Thirty One Veterinary Inspectors (Third Grade)	,,	60— 4— 80
Eight Veterinary Inspectors (Mobile Corps)	,,	60— 4— 80

The transfer of the Veterinary Officers of other Departments to the cadre of the Civil Veterinary Department makes it necessary to fix their places relatively to the other officers already in the Department and to readjust the charges so as to employ each officer as far as possible on work commensurate with his pay and seniority. The work of the Department has been increasing repidly, partly in consequence of more vigorous measures taken to combat cattle diseases and partly in response to a growing demand for veterinary aid from the public. While the need is felt for increasing the establishment, a certain amount of difficulty is at the same time being experienced in getting recruits, indicating that the prospects now held out are not sufficiently attractive to qualified candidates.

3. Experience seems to indicate the need for organising a closer supervision of work in the districts. The present arrangement of having only two divisions results in throwing a mass of routine work on the head-quarter office, and leaving the Superintendent less time than desirable for the higher control of the activities of his department. A certain amount of decentralisation is necessary both for giving the Superintendent, some relief from routine duties and for securing a closer supervision of district work.

4. In view of the considerations setforth above, Government are pleased to sanction the re-organisation of the Civil and Veterinary Department, on the following lines:—

(1) The head of the Civil Veterinary Department will, as heretofore, be the Superintendent, working under the administrative control of the Director of Agriculture.

(2) There will be, under the Superintendent, the following staff:—

(*a*) Four Assistant Superintendents	Rs.	150—10—200
(*b*) Six Veterinary Inspectors First Grade	,,	100— 5—150
(*c*) Eleven nine Do Second Grade	,,	80— 4—100
(*d*) Thirty ~~two~~ Do Third Grade (Including the Mobile Corps)	,,	60— 4— 80

No. D. 7923-82—C. V. 65-26-5, DATED 28TH JANUARY 1928.

5. The Assistant Superintendents will be in charge of the Divisions of which there will be four:—

(1) Mysore Division consisting of Mysore, and Hassan Districts with Headquartersat Mysore.

(2) Tumkur Division consisting of Tumkur and Chitaldrug Districts with Headquarters at Tumkur.

(3) Simoga Division consisting of Shimoga and Kadur Districts with Headquarters at Shimoga.

(4) Bangalore Division consisting of Bangalore ând Kolar Districts with Headquarters at Bangalore.

The Director of Agriculture will propose the names of the Officers to be posted to the several divisions.

6. There will be two additional salustries on Rs. 20 each per mensem, and 4 peons on Rs. 10 each per mensem consequent on the creation of two new divisions. As regards the clerical staff for these four divisions, Government consider that one clerical hand is enough for a division under the new distribution. The two clerks on Rs. 35 will be posted-one to the Bangalore and the other to the Mysore Division. The two other clerks on Rs. 30 will be similarly attached--one to the Tumkur and the other to the Shimoga Division.

7. In allotting charges to the Veterinary Inspectors regard will be had to the principal that, as far as possible important charges should be given to senior men. The Director is requested to make postings bearing this direction in view, and to furnish a statement showing the distribution of charges among the Inspectors.

8. The above is the regular staff of the Inspectorate of the Department and does not include the additional temporary staff which may have to be appointed from time to time on emergent work in the districts. No. D. 7923-82—C. V. 65-26-5, DATED 28TH JANUARY 1928.

GEN. SD 7633
DEVELOPMENT SECTION

Office of the Superintendent,
Civil Veterinary Department,
Bangalore,
9th March 1928

Dear Sir,

C. V. 65-26-6,

Regarding our conversation yesterday re. the reorganisation proposals sanctioned in G.O. No.D.7633-83/C.V.65-26-6.3.1 dated 25th January 1928, I wish to represent that the order provides for three less appointments than the number we require. The cadre at present is:-

1 Superintendent
2 Assistant Superintendents
2 Veterinary Officers for Bangalore & Mysore Hospitals
20 Veterinary Inspectors for 20 Institutions
8 Mobile Corps Veterinary Inspectors
4 Military (1 Mysore Lancers, 1 Municipal, 1 Transport, 1 Mysore Horse)
1 Forest Department
1 Agricultural School Hebbal

Total 64

What is required under the reorganisation proposal is:-

1 Superintendent
2 Assistant Superintendents
2 Senior Veterinary Inspectors for Bangalore and Mysore Veterinary Hospitals in place of the two Veterinary Officers whose designations have been changed.
3 Junior Veterinary Inspectors for Bangalore and Mysore Veterinary Hospitals to attend to out-breaks and assist Inspectors in charge of the Bangalore and Mysore Hospitals
4 Inspectors for the 21 other Institutions
8 Mobile Corps Veterinary Inspectors
1 Veterinary Inspector for Superintendent's office.
1 Forest Department
3 Military in place of 4
1 Agricultural Department

Total 64 — 3 = 61.

In place of the above number, the Government Order only provide for 61.

In preparing the Statement of Proposition, your office has probably made provision for only one Veterinary Inspector for each of the Hospitals at Bangalore and Mysore instead of two, as exists at present and probably provided for only four instead of the five Vet. Inspectorships sanctioned to be opened this year.

2. The G.O. provides for the additional Establishment for 2 new Circles, is less than what the Salutries are drawing at present in the offices viz Rs 30/-

In the body of the Government Order in question, para 6, the

43

Action taken separately vide this.

Peons in the Division Offices are to get Rs 11/- each, whereas in the subordinate of Proposition, the pay of Peons is known as 10/- each.

Kindly let me know early, if you can supply this or would you like us to put up an official reference to the Director of Agriculture.

Yours sincerely,

J. Thompson.

Ex 65-26-9

To

N. Rama Rao, Esq., B.A., B.L.,
Secretary to the Government of Mysore,
Development Departments, Bangalore.

SIR,

I have the honour to forward herewith copy of letter No. 18471/7/5 dated the 5th May 1928 received from the Superintendent Civil Veterinary Department.

I have discussed this question with the Superintendent, since receipt of his letter and am convinced that an extra Inspect for each of the two hospitals, Bangalore and Mysore, is necessary and the Superintendent requires an Inspector as a personal Assista

I am averse to reducing the number of Mobile Corps Offi as the sudden outbreaks of rinderpest and other contagious disease which are characteristic of the State, demand the employment of th men.

As regards the question of clerical staff for Assistant Superintendent, I am of opinion that each of these men requires the services of atleast two clerks. I would recommend, therefore, sanction for the employment of four more clerks instead of the 8 asked for by the Superintendent.

I have the honour to be
Sir,
Your most obedient servant,

Director of Agriculture.

C.T.D.

28.5.28

Copy of letter No.18471/7/5 dated the 5th May 1928 from the Superintendent Civil Veterinary Department Bangalore to the Director of Agriculture in Mysore, Bangalore.

With reference to the reorganisation proposal sanctioned in G.O. No. D.7923/C.V. 65-26-5 M 1 dated 28th January 1928, forwarded under your No.Roc.17/25-26 dated the 13th February 1928, I have the honour to represent that the cadre at present is:--

1. Superintendent
2. Assistant Superintendents
2. Veterinary Officers for the Bangalore and Mysore Hospitals
4. Junior Veterinary Inspectors for the Bangalore and Mysore Hospitals to assist the Veterinary Officers at headquarters and to attend to outbreaks and work in villages in areas allotted to the Veterinary Institutions in Bangalore & Mysore.
44. Veterinary Inspectors for the other institutions in the State
9 Mobile corps Veterinary Inspectors
4 Veterinary Officers for Military Department { 1. Mysore Lancers; 1. Kunigal Stud farm; 1 Transport corps; 1 Mysore Horse
1 Veterinary Inspector for Forest Department
1 Veterinary Inspector Agricultural School, Hebbal.

What is required under the reorganisation proposal is:-

4. Assistant Superintendents.
2. Senior Veterinary Inspectors for Bangalore and Mysore Veterinary Hospitals in place of the two Veterinary Officers whose designations have been changed.
2. Junior Veterinary Inspectors for Bangalore & Mysore Veterinary Hospitals to attend to outbreaks and assist Inspectors in charge of the Bangalore & Mysore Hospitals.
43. Inspectors for the 43 other Institutions.
9. Mobile corps VeterinaryInspectors.
1. Veterinary Inspector for Superintendent's Office.
1. Veterinary Inspector for Forest Department.
3. Veterinary Inspectors for Military in place of 4
1. Veterinary Inspector for Agricultural Department for the Hebbal School.

Government have evidently overlooked the fact when passing orders, that there are two Veterinary Officers attached to each of the Veterinary Hospitals at Bangalore & Mysore, as only one Veterinary Inspector has been allowed for each of these hospitals in the reorganisation. It is impossible to expect the Veterinary Officer in charge of each institution to do the work which hither to two men have not been able to cope with, and satisfy the needs of the public. Both the veterinary Offi in charge of the Mysore and Bangalore Hospitals, have, besides their Hospital work, to attend to outbreaks and also requisition from the ryots in the areas alloted to them. The hospitals of Bangalore and Mysore are important institutions and cannot be left [illegible] of Salustries. Already there have been frequer

47

complaints that the Veterinary Officers have not been giving sufficient attention to animals taken to these institutions for treatment, and conditions will become worse if the Junior Veterinary Inspectors are removed from these institutions.

The Veterinary Inspector for the Superintendents Office must be an additional man, as atleast one Mobile Corps Inspector is necessary for each District, to assist the Veterinary Inspectors who have more outbreaks than they can cope with to assist Inspectors falling sick, to attend cattle Fairs, and to act for those going on leave. ~~Exth~~ It has been found that 8 Inspectors in the Mobile Corps are not sufficient to meet the demands there is for their service, and to remove an Inspector for other duty, only will hamper work.

The Government Order under reference in sanctioning four divisions, has not increased the clerical staff in proportio When the present clerical staff of 2 clerks for each Office, was sanctioned, each Asst. Superintendent had only 11 Institutions in his charge, and since then the work of these division offices had increased out of all proportion to what it was at the time wh two clerks were sanctioned for each division office. Each divisi Office now has 23 Institutions to deal with against the 11 he had formerly. With four divisions, each division officer will have 12 institutions in his charge in 1928-29 which will be more than he originally had, Further, since S.S. inoculation has been introduced into the State, the statistical work of these offi has increased out of all proportion to what it originally was and this will increase still more as more institutions are annually opened. So under the circumstances, it is absolutely necessary that each of the division offices should have atleast three clerks if proper statistics are to be maintained and retu are not to be delayed and work hampered.

Again the Government Order provided for two additio Salaries for the 2 new divisions, but the pay of these men ha been reduced, which will discourage the more intelligent of the Salaries attached to the Asst. Superintendents must be really capable and intelligent men, inorder to assist the Assistant Superintendents in collecting material for the investigation of

The Salaries attached to the Asst. Sup

The Dir has anything further work in this matter. No need to make any remarks

the area UDF 14/6

disease

57

disease, conducting post mortems, and helping the Assistant Superintendent in collecting correct statistics, and in his camp office work.

Under the circumstances, it is absolutely necessary that these men should be paid on a par with the senior Salustries in the Department.

I send herewith a statement of Proposition giving the additional cost that my proposals will involve as well as a statement showing how it is proposed to post officers.

This allocation takes into account three additional appointments viz.,

One Junior Veterinary Inspector for the Veterinary Hospital at Bangalore.

One Do Do Mysore.

One Do to be Office Assistant to the Superintendent of the Civil Veterinary Department.

Government recognise the need for these additional appointments and are pleased to sanction them.

The result is that the sanctioned cadre of III grade Veterinary Inspectors will be 44, as against 39 actually sanctioned in the Re-organisation Order of the 28th January 1928 and 2 Inspectors sanctioned in connection with the opening of fresh dispensaries at Sorab and Nelamangal since the date of that order.

Para 6 of G.O. No.D.7923-82/C.V. 65-26-5, dated the 28th Jany. 1928, sanctioning the reorganisation of the Civil Veterinary Department.

2. Correspondence ending with letter No.Roc.17-25, dated the 5th October 1928 from the Director of Agriculture, explaining the necessity for strengthening the clerical staff of the Civil Veterinary Divisional Officers and submitting a re-appropriation statement for Rs.1430/- for meeting the pay of the additional staff.

Order No.D. 7254-55

Dated, 17th Jan. 1929.

In the G.O. dated the 28th Jany.19 read above, one clerk was sanctioned fo each of the Division Offices. The Direct of Agriculture is of opinion that the present number is not enough to cope wit the already heavy and growing work in t offices, and that it is urgently necessa to sanction another clerk for each of the said offices. Government agree wi the Director and are pleased to sanc the appointment of an additional cle for each of the Divisional Offices, effect from the date of entertainm of these clerks being on a pay of and the other two on Rs.30/ per

The extra cost involved during the current year, amounting to about Rs.780/- will be met by reappropriation from the sum of Rs.32,043/- under " 27 Agri.-4 Vet. charges (ii) C.V. Hospitals and Dispensaries, T.A ". Necessary provision will be included in future budgets for this additional staff.
